Kootenai Forest Stakeholders Coalition

RE: Letter of Support

To Whom It May Concern,

This letter is written on behalf of the Mayor and City Council of Libby in support of the Kootenai Forest Stakeholders Coalition. Their continued efforts in working with the U.S. Forest Service and other agencies on finding common-ground solutions to public land management is a benefit to our community.

The City of Libby is dedicated to help with the improvement of community services, facilities and economic development to encourage business growth, in and around the Libby area. Surrounded primarily by public land, the City of Libby is depended upon the Kootenai National Forest to provide opportunities for recreation, timber harvesting and conservation.

We at the City of Libby applaud the work being done by the Kootenai Forest Stakeholders Coalition to provide a balanced outcome for economic development and will continue to show our support for their hard work.

Sincerely,

Brent Teske
Mayor,
City of Libby
